

SAFE-HARBOR-STATEMENT

These presentations include forward-looking statements based on the beliefs of Software AG management. Such statements reflect current views of Software AG with respect to future events and results and are subject to risks and uncertainties. Actual results may vary materially from those projected here, due to factors including changes in general economic and business conditions, changes in currency exchange, the introduction of competing products, lack of market acceptance of new products, services or technologies and changes in business strategy. Software AG does not intend or assume any obligation to update these forward-looking statements.

These presentations constitute neither an offer nor recommendation to subscribe or buy in any other way securities of Software AG or any of the companies that are members of the Group at present or in the future, nor do they form part of such an offer and it should not be understood as such. These presentations do not constitute an offer of sale of securities in the United States of America. Securities may not be offered or sold in the United States of America without registration or exemption from registration in accordance with the U.S. Securities' Act of 1933 in its currently valid form.
